The required sign-in/sign-out procedures are as follows:

- The chapter shall maintain and use a sign-in log that reflects the following: name of the youth initiative; the date; the time in and the time out; and the names of the participants, with a column for the participant and visitors to check her/their status (as member, youth, volunteer, or visitor). If a Parent or Guardian wishes to arrange alternative transportation for their child to attend an off-site activity, the youth may join the group at the event or activity, but the Chapter assumes no responsibility or liability for the youth participant for any non-Chapter-sponsored activity or transportation.

INTERNET USE POLICY

3. Unintentional Exposure of Youth to Prohibited Materials on the Internet

It is Delta's policy that Chapters must undertake every reasonable step to prevent exposure of youth participants to undesirable materials on the Internet. It is recognized that this can happen not only through the youth deliberately searching for such materials, but also unintentionally when a justifiable Internet search yields unexpected results.

To prevent such occurrences the Chapter shall adopt the following practices:

A. Chapters should use an Internet Provider or software that blocks access by:
   - Filtering sites by a grading process, and
   - Filtering sites by language content and prohibiting sites with unacceptable vocabulary.

B. Chapters must strictly supervise Internet usage:
   - Adults must strictly supervise youth participants' Internet activity, and there should be no searching of the Internet without a supervisor checking periodically during use and reviewing the sites accessed after a youth logs off.
   - Install appropriate language filtering software (e.g., Net Nanny).

4. Intentional Access of Prohibited Materials by Youth

Chapters shall explain clearly and firmly to the youth that they are prohibited from intentionally accessing prohibited material on the Internet. The youth also must be informed that if she/he violates this policy, she/he will be disciplined, and her/his Parents or Guardian will be notified. Chapters must follow through with disciplining the youth and notifying the Parents or Guardians.

5. Deliberate Access to Prohibited Materials by Adults

Adults are prohibited from deliberately accessing prohibited materials. Any adult who violates this policy will be terminated as a volunteer.

6. Receipt and transmission of e-mails by youth

It is recognized that, even with training and supervision, youth may receive or transmit e-mail messages that contain unacceptable (or even prohibited) language or content. It is also recognized that some people may try to use e-mail to identify and contact children for unacceptable reasons.

To avoid these problems, Chapters should adopt the following practices:

A. Use an Internet e-mail service that guarantees the bona-fide nature of e-mail communicants and that vets youth's e-mail for undesirable content.

B. Depending on the circumstances and the youth's age or maturity, allow youth to read e-mail messages only when an adult is present or when the messages have been previewed by an adult.

C. Take steps to verify the identity of anyone seeking to establish regular e-mail communications with youth.

D. Allow youth to send e-mail messages only when the contents have been approved by an adult.
