These FAQs are intended to help members of the Host Chapter(s) navigate the planning process as we prepare for National Convention. Please check this site often for updates.

Convention Planning Volunteers

Q: How do I get involved with a Convention Planning subcommittee?

A: Currently, we are seeking Soror volunteers who are financial with IAC. Sorors can sign up following the process outlined on the [56th National Convention Information Page](#) found on the IAC Sister's Only Portal. Additional volunteer opportunities will become available closer to convention.

Q: Will sorors outside of IAC be allowed to volunteer?

A: Yes! We will need all available hands to execute a successful National Convention. There will be opportunities for sorors not a member of the Host Chapters to volunteer on select committees.

***Convention Committee Volunteers will be solicited by Grand Chapter in the Spring.**

Q: What are the responsibilities of each subcommittee?

A: Please visit the [56th National Convention Information Page](#) found on the IAC Sister's Only Portal for committee descriptions.

Q: Can sorors volunteer for multiple committees?

A: Yes, sorors can serve on more than one committee; however, we must be mindful of the time commitment required for each committee.
